TOP HAIR TIPS

Each newsletter our team will offer top tips to ensure your hair is in tip top condition. This month our stylist Brian talks about heat.

Holiday season is now upon us and while most of us pack sunscreen to protect our skin, hair is often neglected. I recommend the sun care range from Aveda which will protect the hair from the sun's harmful rays and give sun-exposed hair the TLC it deserves. If you like to swim, then the sun care hair and body cleanser will remove chlorine and salt build up. Why not treat yourself to an in-salon hair ritual – your hair will thank you for it!
