About us

With over 40 years of experience, our vision is to set the bar in delivering choice for clients as not everyone has the same hair. We work with brands that are environmentally friendly such as Aveda, who are now 100% Vegan and use ethically sourced, natural ingredients which are great for promoting healthy hair whilst Kerastase offers you a prescriptive range that focuses on hair and scalp concerns.

At Sobo, we're particularly concerned with recycling and have always worked towards protecting the planet. We make you our primary focus to give you the very best in hair care! We are based in Trinity, Edinburgh which is central and offers free parking outside our salon.

We look forward to seeing you again soon.
